Annual Membership Letter February 2025

Dear Neighbors,

PEPS is an all-volunteer, grassroots organization that strives to “Keep Plumas in Bloom.” We not only strive to beautify the neighborhood but also plan fun events in our community garden for the enjoyment of neighbors and friends. So, whether you enjoy digging in the dirt or not, there is much to join in on. Following are just a few of those projects and challenges as we begin 2025:

- PEPS holds an annual Plant Sale in May to share divisions from our perennials and some colorful annuals for you to plant in your own garden.
- The annual Garden Party at **The Enduring Freedom Garden** in July is always a fun time for over 70 neighbors and friends to gather and enjoy amazing food, drinks, music, and laughter in an amazing community garden.
- PEPS will be exploring ways to improve and maintain the Ponderosa Garden near the intersection of Lundy Lane and W. Ponderosa Dr. We welcome your ideas!
- PEPS volunteers continue to plant flowers in the wine barrels at all the mailbox clusters, maintain 20 doggie bag dispensers throughout the community, and plant and maintain the garden at the Plumas Eureka Estates sign at the corner of Poplar and Cottonwood.
- We end our season with a “Lights Up” Holiday Lighting at the Enduring Freedom Garden to create a beautiful holiday scene for all to enjoy.
- Our website, www.plumaspeps.org is being continually updated for your information with our events calendar, schedule of garden workdays, general meetings, and garden tips.

Your membership is truly valued and enables PEPS to continue all these community service projects in Plumas Pines. So, whether you come and dig in the gardens or support PEPS monetarily, we THANK YOU for your continuing support. To JOIN PEPS please complete and return the enclosed membership form with your annual membership dues.

On behalf of the PEPS Board, we look forward to meeting you this Spring!

Sincerely,

Your PEPS Board:

Peggy Johnson, Tonni Giguere, Bill Grijalva, Janet Grijalva, Nancy Richeal, and Nina Stone

P.S. Mark your calendars for our Spring Kick-off Meeting: May 5, 2 to 4 PM; location TBD

“We Put Plumas In Bloom”
